GLOBAL RELAY FROM EAST TO WEST

TAFISA WORLD WALKING DAY - 24 HOURS AROUND THE GLOBE : MAKE IT YOUR OWN!

The TAFISA World Walking Day - 24 Hours Around the Globe will take place on Sunday 3 October 2021 from 10am local time, creating a wave across the world from East to West and covering all 24 time zones.

The event aims to build bridges and connections between people. Beyond a simple event, it provides a platform for sharing causes and values important to you, and shows that the Sport for All Movement stands together and united to create a better world. In 2020, tens of thousands from 65 countries joined us on this new journey, from Antarctica to the westmost confines of the American continent, going through Oceania, Asia, Europe and Africa on the way.

Let's set a new record! Join us, choose your activity (it can be walking, cycling, horse riding, canoeing, climbing, any sport you want!) and pass the baton for a cause that is close to your heart! By sharing the videos and pictures of passing the baton, you can contribute to the team effort to help connect the world through a planet-wide relay!
